***\*Abha Power and Steel Limited Secures New Orders Worth Rs. 7.71 Crore, Strengthening Order Book to approx Rs. 28.90 Crore\****

***Chhattisgarh, July 18, 2025***

***Abha Power and Steel Limited (NSE Emerge: ABHAPOWER):*** We are pleased to announce that the Company has secured an order of Rs. 7.71 crore from South East Central Railway.

As of July 18, 2025, our Company has an order book of approx Rs. 28.90 Crore. The order book reflects the strengthening of our position in the railway sector and continuous efforts to expand market share.

## **Disclaimer**

This press release includes forward-looking statements. We have based these forward-looking statements on our current expectations and projections about future events. Such statements involve known and unknown risks, uncertainties and other factors that may cause actual results to differ materially. Such factors include, but are not limited to, changes in local and global economic conditions, our ability to successfully implement our strategy, the market acceptance of and demand for our products, our growth and expansion, technological change and our exposure to market risks. By their nature, these expectations and projections are only estimates and could be materially different from actual results in the future.

## **About Abha Power and Steel Limited**

Abha Power and Steel Limited (APSL) cater to diverse industries such as Indian Railways, steel, cement, heavy engineering, mining, and power, offering a comprehensive range of standard and customized products. The Company focus on quality, safety, value, and price competitiveness that helps to establish and maintain long-term relationships with customers both domestically and in over six countries, including UAE, Qatar, Germany, Canada, Italy, Netherlands, and Nepal. The manufacturing facility includes a captive solar power plant with a capacity of 3 MW, reducing our operating costs. 3400MT of Co2 emissions saved annually by our solar Plant. The Company plans to become a green manufacturer of castings. Since inception in 2004 with a steel ingot and billet manufacturing plant in Hardikala, Bilaspur, Chhattisgarh, it expanded in 2009 by adding a spheroidal graphite iron foundry to serve Indian Railways. In 2016, the company transformed ingot plant into a steel foundry. Currently, the company operate two foundries—SG iron and steel—within our 319,200 square-foot ISO 9001:2015 certified manufacturing facility at Silpahri Industrial Area, Bilaspur.
